11 **3. STUDY ITEMS:**

12  
13 **A. Review and Discussion of the Class VI Road #42-Continued from September 2<sup>nd</sup>, 2021:** Mr.  
14 Goodwin started the discussion by going over what was discussed at the last meeting on Road #42.  
15 Several committee members said they had walked the Road and saw some stone walls along the way.  
16 Chair Wood said it was very hard to deny the existence of the Road. He then went to the members of the  
17 public to allow them to speak.

18  
19 Mr. Charlie Henry, 37 Poverty Lane, spoke about Road #42. He said he was not aware of the right of  
20 way and did not know where the path of the Road was, but he said it looked to him that it went right  
21 through his house. He thought that issue needed to be resolved. Chair Wood said that everyone who has  
22 walked the Road agreed that it exists. He explained where the Road layout was. He said it met the gold  
23 standard to prove that the Road was a public road.

24  
25 Chair Wood read a letter into the record from Mr. Henry.

26  
27 No one else from the public spoke.

28  
29 *Mr. Heistad MOVED that the Class VI Road Committee recommends that the Lebanon City*  
30 *Council reclassify Road #42, a Class VI Road, as a Class A Municipal Trail as defined in RSA 231-*  
31 *A:1(I). The location of which to be generally described as extending from the furthest northerly*  
32 *portion of the Old Kings Highway to Poverty Lane, as depicted within the September 2<sup>nd</sup>, 2021*  
33 *Class 6 Road agenda packet, with a specific layout description contained within the Lebanon Town*  
34 *Records Book, Volume I. The committee further recommends that Road #42 be subject to the*

1 following public trail use restrictions: Permitted means of travel shall be by foot, skis, and  
2 snowshoes. Notwithstanding these permissions, none of these uses shall be allowed in a manner, or  
3 in conditions that will encourage erosion, or otherwise damage the trail. All wheeled vehicles or  
4 motorized vehicles, on or off road, shall be prohibited, excepting the allowed vehicular uses of  
5 abutting landowners for access of their land as set forth in RSA 231-A:1(I). The Public Works  
6 Director shall cause to be placed legible signs at the entrance to trail describing the restrictions  
7 contained herein, as provided by RSA 231-A:4.

8 *Seconded by Ms. Monroe.*

9

11  
12 *\* The Vote on the MOTION was unanimously approved (5-0).*

19  
20 **4. OTHER BUSINESS:** Discussion was had about the different Road signage that had been seen on  
21 some of the Roads recently. The Class VI Roads committee would like DPW to erect temporary signs on  
22 the Roads that have been discussed and motions made on.

23  
24 Mr. Goodwin will not be in Town during the next scheduled Class VI Roads meeting. It was decided that  
25 the next scheduled meeting would be October 21<sup>st</sup>, 2021.
