2 **3. APPROVE THE FINANCIAL REPORT:**

3 Treasurer Taylor reported he will send out his finance reports by e-mail when he receives them. Director  
4 Fleming implemented a plan to spend some of the surplus funds the Library had from this year. He spent  
5 close to \$44,000.00 in October on repairs and small tools. The surplus is down to a little over  
6 \$100,000.00. A little over \$11,000.00 has been spent adding to the collection at the Library.

7 Director Fleming reported that when he realized there was going to be a large surplus of funds for this  
8 year, they decided to go forward with a renovation project at Kilton Library. The \$80,000.00 work was  
9 originally going to be done through a CIP, but the City Manager took it out because of the surplus. Even  
10 with that work being done there will still be a surplus of approximately \$50,000.00.

11 *A MOTION was made by Ms. Desrosiers to approve the Financial Report as presented.*  
12 *Seconded by Ms. Sharfstein.*

19  
20 **4. COMMITTEE REPORTS: NONE**

21  
22 **5. OTHER BUSINESS:**

23  
24 **A. Director's Report:** Director Fleming spoke on the upcoming budget year, especially regarding the  
25 request for the Library renovation funding. He asked the Board if they could reach out as citizens to City  
26 Councilors to show their support for the Library Renovation. Chair Oscadal said he would be speaking to  
27 the City Council at the December 2<sup>nd</sup>, 2020 meeting and will be talking about the survey that the Library  
28 conducted earlier in the year about the renovation project.

29  
30 Director Fleming said that the Library Foundation had a goal to raise \$300,000.00 for the Library  
31 Renovation by the end of the year. The Foundation decided to move the goal end date to the end of 2021.  
32 The City Manager thought that would be OK to do since the money would not be needed until then for  
33 the bond payments.

34  
35 If the renovation takes place, most of the books from the Lebanon Library would be placed into storage.  
36 The Teen Librarian would like to have some of those books moved to the Kilton Library. Chair Oscadal  
37 asked if there was anyway that the books could be accessible at the off-site location? Director Fleming  
38 replied that would not be cost effective or practical. Other Board members asked if the Kilton Library  
39 might be able to absorb some of the books? Director Fleming said he could investigate that. Chair  
40 Oscadal will help with looking over the books to decide what would go to storage and what might be able  
41 to be moved to Kilton Library.

42  
43 At the City Manager's urging, Director Fleming worked with Milestone to determine the cost of adding  
44 additional parking at Kilton Library. The cost would be \$200,000.00, which would be tearing down the  
45 building at Atwood Avenue and putting parking on that piece of property. The amount did not include  
46 the cost of purchasing the property.

1  
2 Lastly, Director Fleming asked if the Board would mind having the Library closed on Saturday,  
3 December 26<sup>th</sup>, 2020, the day after Christmas? No one on the Board voiced any objections.

4  
5 **B. Deputy Director's Report: None**

6  
7 **6. OTHER BUSINESS:**

8  
9 Chair Oscadal asked about the Library Website redesign and where that was in the process? Director  
10 Fleming replied he was not sure where that stood right now. Chair Oscadal also asked if the outdoor tech  
11 lab was still going on? Director Fleming said it had ended when the weather got colder outside.

12  
13 **7. ADJOURNMENT:**

14  
15 *A MOTION was made by Ms. Desrosiers to adjourn the meeting at 7:42 PM.*

16 *The MOTION was seconded by Ms. Sharfstein.*

17  
18 **Roll Call Vote:**

19 **Francis Oscadal, Stephen Taylor, Susan Desrosiers, Ann Sharfstein, Susan Weber Valiante, Donna**  
20 **Hartford, and Laura Barrett all voting Yea.**

21 **None voted Nay.**

22  
23 *\* The Vote on the MOTION was approved (7-0).*

24  
25 Respectfully submitted,

Over 4000 people died yesterday, and the rates are continuing to climb. Just because this has gone on a long time doesn't mean we should succumb to caution fatigue. We are so close to vaccination! If we are truly essential, then our place in line for the vaccine will reflect that. If we are not and we have to wait for the vaccine then there is no need to take on any undue risk. Just because other community members are being forced to take unreasonable risks doesn't mean we should have to and to suggest otherwise seems morally indefensible.</i> |

# Private Money vs. Public Money

- Private Money and Other Money comes from individual donors, wills, trusts, grants, endowments, and other sources as defined by the New Hampshire Statutes.
- Public Money is taxpayer money raised and appropriated by the taxpayers at town meeting

Public/Taxpayer Money:  
Appropriations (RSA 32)  
General Fund Trusts (RSA 31:19-a)  
Capital Reserve Funds (RSA 35)

# Public Money: *Budgeting for the library*

- **RSA 32:5 III: All appropriations recommended shall be stipulated on a "gross" basis, showing anticipated revenues from all sources, including grants, gifts, bequests, and bond issues, which shall be shown as offsetting revenues to appropriations affected.**

# What does this mean?

- **In preparing a budget to be submitted to the Selectmen and/or the Budget Committee Library Trustees must calculate the *total cost* of operating the library regardless of the source of funding.**
- **Example: If the Town of Graniteville needs *\$100,000* to operate the library and \$20,000 is coming from trust fund income the Library Trustees must still ask the voters to raise and appropriate the sum of *\$100,000*.**

Does this mean the taxpayers have to pay for the \$100,000 from tax revenue?

- **NO. Before the town or city sets the tax rate it has already sent forms in to the Department of Revenue Administration (DRA) listing all sources of offsetting revenue.**
- **In my example DRA will be aware of the \$20,000 coming from private money and will therefore set the tax rate based on the \$80,000 net figure.**

# Taxpayer Money:

## Must a town fund its public library?

- **Obligation to fund the public library:**
- **202-A:4 Maintenance.** – Any city or town having a public library shall annually raise and appropriate a sum of money sufficient to provide and maintain adequate public library service therein or to supplement funds otherwise provided.

# Who Spends Taxpayer Money?

- **202-A:11 Powers and Duties.** – Except in those cities where other provision has been made by general or special act of the legislature, **the library trustees** of every public library in the state shall:

III. Expend all moneys raised and appropriated by the town or city for library purposes and shall direct that such moneys be paid over by the town or city treasurer pursuant to a payment schedule as agreed to by the library trustees and the selectmen or city council.

# Lapse of Appropriation

- If any taxpayer money remains unspent at the close of the accounting year it will lapse to the town's general fund unless it has been encumbered to pay a legally-enforceable obligation or is part of a statutorily-defined non-lapsing fund. Example: capital reserve funds.
  - **RSA 32:7**

## Expendable Trusts: Public Money RSA 31:19-a

- **“A town may at any annual or special meeting grant and vote such sums of money as it deems necessary to create trust funds for the maintenance and operation of the town; and any other public purpose that is not foreign to the town's institution or incompatible with the objects of its organization.**
- **The town may appoint agents to expend any funds in the trust for the purposes of the trust.”**

## **RSA 31:19-a Trust Funds Created by Towns (continued)**

- **“The local legislative body may authorize the acceptance of privately donated gifts, legacies, and devises to be utilized for the same purposes as a trust fund created under this section; provided, however, that such gifts, legacies, or devises shall be invested and accounted for separately from, and not commingled with, amounts appropriated under paragraph I, and shall be subject to the custody and investment provisions applicable to trust funds accepted under RSA 31:19.”**

## **RSA 31:19-a Trust Funds Created by Towns (continued)**

- **Trust funds created pursuant to this section shall be revocable by majority vote of the legal voters present and voting at any annual meeting, unless the vote creating the trust expressly provides that the trust shall be irrevocable, and upon revocation the trustees of trust funds holding the account for said trust shall pay all the moneys in such fund to the town treasurer.**  
**If the town creates a trust fund under RSA 31:19-a it is held and administered by the Trustees of Trust Funds**

# Public Money:

## Capital Reserve Funds RSA 35

- Taxpayer money appropriated for a specific capital improvement or item of equipment.

# Outside Sources of Money

- **Friends Groups**
- **Supporting Foundations**
- **Grants**
- **Fundraising**

# Fundraising Activities

- **FAQs:**
- **Should the library obtain a separate tax ID number from the IRS?**
- **Are donations to the library tax deductible to the donor?**
- **Where do the Friends groups and supporting foundations fit in?**

## Tax Identification Number

- **The library trustees should not apply for a separate number. This can lead to the IRS assessing tax penalties.**
- **Use the town's tax identification number.**

# Are Donations to the Library Tax Deductible?

- **Yes. As long as the donation is for a public and not a private purpose.**
- **Gifts (donations) to the United States, a state, city, town, or Indian tribal government are deductible as an itemized deduction on Federal income tax.**

# Friends Groups

- **Are generally recognized by the IRS as 501(c)(3) organizations**
- **Are separate from the town**
- **Are not subject to the right to know law**
- **May fundraise on behalf of the public library**
- **Any funds received from a Friends Group are subject to the publication and public hearing requirement if over \$5,000**

# Supporting Foundations

- Generally Friends groups run fundraising activities to meet the immediate needs of the library: books, periodicals, DVDs, etc.
- Foundations are created to meet the future needs of the library through the establishment of an **endowment fund**
- Both may qualify for 501(c)(3) status with the IRS.

# Grants

- Library Trustees often apply for grants from private and federal sources.
- Grants awarded are subject to the acceptance process.
- Funds received through grants must be administered in accordance with the grant award documentation whether from a government or private source.

# Other Money

- **Fine Money**
- **Lost Books**
- **Income Generating Equipment**

## Income Generating Equipment

- **Libraries wishing to retain funds produced by the income generating equipment must obtain permission from the voters pursuant to RSA 202-A:11-b. Once permission is granted by the town via a warrant article no public hearing is required to accept revenues from income generating equipment.**

## Income Generating Equipment

**RSA 202-A:11-a All money received from a library's income generating equipment shall be retained by the library in a non-lapsing fund and use for repairs and upgrading and for the purchase of books, supplies and income generating equipment if approved by the town or city in which the library is located.**

# Keeping the Record Straight

- Because the types of money that fund a library may come from a number of sources it is important to keep detailed records on the source of each and any restrictions on how the funds are spent.
- Spreadsheet programs can both capture the financial information and generate necessary reports.
