1. Call To Order: The April 17, 2024 Special Meeting of the Lebanon City Council was called to order at 5:38pm.

2. New Business:

A. Layout of Widening of Trues Brook Road – On-site public meeting for personal examination of the proposed Layout of a Widening of Trues Brook Road as a Class V Public City Road pursuant to a Layout Petition received by the City Council on January 26, 2024.

City Engineer Rod Finley introduced and described the project. The City's consulting engineer, Joseph Bicja of Hoyle Tanner & Associates, discussed the proposed widening of the bridge, realignment of the roadway approaches, and the installation of a temporary bridge to avoid a significant detour during construction. Members of the Council reviewed and discussed the impacts of the bridge replacement and the temporary bridge on the surrounding natural resources and existing vegetation.

3. Adjournment:

The meeting was adjourned at 5:51pm.
