12
13 **A. Westboro Yard Update and Discussion**

14
15 In June, the City Manager told the City Council that the State was willing to accept responsibility

17 was recent discussion regarding testing for PFAS on the site.

24
25 Mr. Reichert stated that the proposed plans and specs were released mid-June. The Main Street
26 website and the Confluence website show this information.

27
28 **4. NEW BUSINESS**

29
30 **A. Discussion re: 14, 28 and 30 Main Street - RFP and Future Steps**

Chair Simon explained that the RFP closed at the end of June. The City Manager has stated that, essentially, there were no submittals received for this RFP. One response was received from someone in Bangladesh, and it is unclear if this was a true submittal. There was agreement to be proactive and reach out to other local developers who have expressed interest in the City's development projects in the past. It will likely take another three months for this process to carry out.

While seeking out other options for this area, a suggestion was made to paper over the storefront area with information regarding the West Lebanon Revitalization project in hopes of educating the community.

***Ms. Stavis MOVED that the Chair extend an invitation to the Superintendent to attend a subsequent Committee meeting to discuss this topic. SECONDED by Mr. Mashal.
* The Vote on the MOTION was approved (5-0-0).***
