

**FEBRUARY 12, 2025 - 6:30 PM
DOWNTOWN PARKING LOT REDEVELOPMENT
COMMUNITY CONVERSATION
COUNCIL CHAMBERS, CITY HALL
NO REMOTE ACCESS, IN-PERSON ONLY**

A. Downtown Parking Lot Redevelopment Presentation

This community conversation will be about the Downtown Parking Lots Redevelopment Study. The evening will start with a presentation by the City's consultant, Placework, followed by in-person breakout discussions focusing on Scenario Visioning. The Scenario Visioning discussion groups will review options the City could consider for parking lot repair, a riverfront park, partial redevelopment and park, and full redevelopment.
