A. Public Input Session

To support the selection of a new City Manager, the City has partnered with Municipal Resources, Inc. (MRI) to conduct a comprehensive recruitment process. As part of this process, MRI will hold a public input session to hear directly from Lebanon residents and stakeholders about what is important to the community and the traits and skills desired in the next City Manager.

This public input session will be facilitated by Interim City Manager Jack Wozmak and representatives from MRI.

In addition, MRI has created a dedicated email address for members of the public to submit confidential comments and feedback: LebanonCMSearch@mrigov.com

Input received through this address goes directly to MRI and is kept confidential. Comments will help guide the recruitment team in identifying candidates who align with the values and priorities of the Lebanon community.

Meetings are open for in-person and remote attendance. Members of the public that wish to attend remotely may do so by going to LebanonNH.gov/Live where you will find instructions on how to enter the meeting. Members of the public will be able to participate and ask questions through the City's virtual platform or by phone. Please note: Should technical difficulties occur during the meeting that disrupts virtual or phone connection(s), the meeting will continue without remote access capabilities.
