Meeting Room 1, City Hall or remote via virtual platform lebanonnh.gov/live

MEMBERS PRESENT (6/6): Kathleen Corrigan, Charlie DePuy, Andrew Garthwaite,

STAFF PRESENT (1/1) Alanna Cilbrith, Wes Achord

- I. **CALL TO ORDER:** The meeting was called to order at about 5:30pm.
- II. **APPROVAL OF MINUTES:** Minutes from 3/2/26 were approved with minor changes.
- III. **OLD BUSINESS**
 - A. **Update on West Lebanon Main Street Trees**

No update. We assume things are going ahead as agreed at our last meeting.
 - B. **Planning Board Items**

There were no new Planning Board items to discuss. We briefly discussed the status of our efforts to get copies of three older selected Site Plan Reviews to use as study cases. The plan is to look at whether the trees approved in the Site Plan were indeed installed, and whether dead or damaged trees have been replaced as required. We haven't been successful in getting these Site Plans. We agreed to continue trying to make progress on this.
 - C. **Update on the Grant**

There was an extensive discussion with Wes Achord, our new Tree Grant Accelerator. He has prepared plans and a chart indicating the locations of trees to be planted this Spring, including City trees and those being planted for residents who have requested them. We are planning for two plantings for residents in late April, and a major planting on May 16.

For more details, watch the recording of the Tree Board meeting available on the City of Lebanon website, "Agenda Center".

- IV. **ADJOURNMENT:** at about 6:30pm

V. **NEXT MEETING:** May 4, 2026 at 5:30 pm

Respectfully submitted,

Kathleen Corrigan
